Independent Auditor's Limited Review Report on the Unaudited Financial Results of the Company for the Nine Months Ended December 31, 2022

To
The Board of Directors
Madras Fertilizers Limited,
Chennai- 600 008.

1. We have reviewed the accompanying Statement of Unaudited Financial Results ("the Statement") of Madras Fertilizers Limited ("the Company") for the nine months ended 31st December, 2022.
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
4. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and other review procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
5. Based on our review, conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Financial Results read with notes thereon has not been prepared in all material aspects in accordance with applicable Indian Accounting Standards specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

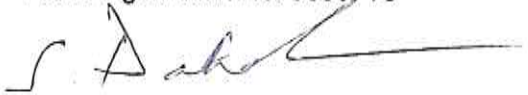

6. We draw attention to:

- (i) Note 3(a) of notes to accounts regarding recognition of subsidy for Neem Coated Urea of Rs. 236678 Lakhs under Revenue from operations for the nine months ended December 31, 2022. The accounting of the said subsidy is at Rs.61,242 per MT based on the policy parameters framed by Gol in this regard, factoring for the escalation, and adopted by the Company whereas subsidy income for neem coated urea as per provisional rates notified by Gol during the current financial year amounts to Rs.238740 Lakhs, resulting in lower accounting of subsidy of Rs.2062 Lakhs for the nine months ended December 31, 2022.
- (ii) Note 10 of Notes to accounts regarding the difference of Rs.7022 Lakhs of input tax credit between the balance as per books of accounts and balances as reflected in Electronic Credit ledger maintained in GST portal and the reconciliation of the said difference is under progress as on December 31, 2022 and also the provision of Rs. 4656 Lakhs being made as a prudent measure for the said difference.

Our conclusion is not modified in respect of the above matters.
