

MADRAS FERTILIZERS LIMITED

(A Government of India undertaking)
Manali, Chennai-600 068

INVITES EXPRESSION OF INTEREST (EOI)

**From Prospective Suppliers to supply various Fertilizer Grades
10-26-26, 15-15-15, 16-16-16, 20-20-0-13, 24-24-0 & Ammonium Sulphate**

EOI No. MFL/Fertilizers//2025-26/01 dated 18.12.2024

Invitation for Expression of Interest :

MFL, in order to expand the product mix, has decided to use its marketing network optimally through trading of various fertilizers grades. To ensure the receipt of quality products at right time & at a transparently arrived competitive price, MFL desires to tie-up with any one or more well established supplier/s (Manufacturer/Importer) for a period of two year extendable by another one year subject to satisfactory performance on mutual agreement commencing from 01.04.2025.

MFL invites application for Expression of Interest from the reputed suppliers to trade various fertilizer grades 10-26-26, 15-15-15, 16-16-16, 20-20-0-13, 24-24-0 & Ammonium Sulphate in MFL marketing territories viz. states of Tamilnadu, Puducherry, Telengana, Andhrapradesh, Karnataka & Kerala.

About MADRAS FERTILIZERS LIMITED :

Incorporated in the year 1966, MFL is a Central Public Sector Undertaking under the administrative control of the Department of Fertilizers (DoF), Ministry of Chemicals & Fertilizers, Government of India.

MFL is engaged in manufacturing & marketing of Ammonia, Neem Coated Urea, Complex Fertilizers and Bio fertilizers. MFL has converted its Feed Stock from Naphtha to RLNG fully from July 2019. It's a pride that, MFL is the FIRST public sector enterprise in South India manufacturing ammonia with RLNG.

Under the concept of balanced fertilization through "Basket approach" and to improve farm productivity in ecofriendly manner, MFL involved in trading of Organic fertilizers and Bio Pesticides under the brand name of "VIJAY" - a renowned name among South Indian farmers.

Our Corporate vision is to become a leader in fertilizer industry and assure production and marketing of quality products of fertilizers, agro chemicals & other ecofriendly products catering to the needs of the farming community of the nation through world class efficient operation.
