If one of the L1 bidders is MSE, other than MSE owned by SC/ST or a Women Entrepreneur then an order shall be placed on such MSE bidders.

In all other scenarios, the order shall be placed on the L1 bidder having a higher turnover in the previous financial year. In case there is a tie at the lowest bid (L-1) position between only startup bidders and none of them has past turnover, the order will be placed on the startup that was registered earlier with the Department of Industrial Promotion and Policy.

26. CLEAR UNDERSTANDING:

When a tenderer submits his tender in response to this tender document, he will be deemed to have understood fully all requirements, terms and conditions. No request will be entertained on a pretext the tenderer did not have a clear idea on any particular point and/or a clause of the tender.

27. FALL CLAUSE:

Fall clause is a price safety mechanism in rate contracts. The fall clause provides that if the rate contract holder reduces its price or sells or even offers to sell the rate contracted goods or services following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Other parallel rate contract holders, if any, are also to be given opportunity to reduce their price as well, by notifying the reduced price to them and giving them 07 (seven) days time to intimate their revised prices, if they so desire, in sealed cover to be opened in public on the specified date and time and further action taken as per standard practice. On many occasions, the parallel rate contract holders attempt to grab more orders by unethical means by announcing reduction of their price (after getting the rate contract) under the guise of Fall Clause. This situation is also to be dealt with in similar manner as mentioned in the preceding paragraph. It is however, very much necessary that the purchase organizations keep special watch on the performance of such rate contract holders who reduce their prices on one pretext or other. If their performances are not up to the mark, appropriately severe action should be taken against them including deregistering them, suspending business deals with them, debarring them for two years from participating against the tender enquiry floated by concerned purchase organization etc. The provisions of fall clause will however not apply to the following:

- i) Export/Deemed Export by the supplier;
- ii) Sale of goods or services as original equipment prices lower than the price charged for normal replacement.
- iii) Sale of goods such as drugs, which have expiry date;

- iv) Sale of goods or services at lower price on or after the date of completion of sale/placement of order of goods or services by the authority concerned, under the existing or previous Rate Contracts as also under any previous contracts entered into with the Central or State Government Departments including new undertakings (excluding joint sector companies and or private parties) and bodies.

28. Debarment of Vendors / Contractors, Holiday Listing of Vendors / Contractors, Delisting of Vendors / Contractors & De-listed Vendors / Contractors

Introduction

The vendors are required to meet certain basic performance criteria and adherence to the terms and conditions of the tender/contract. In case the vendor fails to meet the above parameters, it is prudent to put the vendor on Holiday List for specific periods in order to deter the vendors from committing such defaults. Such decisions shall be taken based on the gravity of the default and after following a laid down process, on case to case basis.

Period of holiday listing based on the circumstances under which they were put on holiday listing are as under:

S.No	Reasons for holiday listing	Period of holiday listing (years)

11	Has parted with , leaked or provided confidential / proprietary information of MFL to any third party without the prior consent of MFL	2
12	If the Agency Is or has become bankrupt , OR is being dissolved OR has resolved to be wound up OR if proceedings for winding up or dissolution has been instituted against the Agency	2

13	Transgression of Integrity Pact , which, in the opinion of the Company, makes it undesirable to deal with the Agency;	2

11. Demurrage, other expenses incurred owing to the tenderers not complying with the purchaser’s instruction will be to the tenderer’s account.
12. The enquiry shall not be assigned to anybody by the tenderer without obtaining the prior written consent of MFL.

MSE’s owned by SC/ST entrepreneurs may be allowed to supply 4% out of 25% of

the Purchase order value. MSE's owned by Women entrepreneurs may be allowed to supply 3% out of 25% of the Purchase order value.

Any failure on their count on the part of the tenderer and the consequences thereof shall be solely on account of the tenderer. Liability, if any, under this head shall be solely borne and paid for by the tenderer.
17. It is possible that sometimes a group of bidders quote the same rate against a tender. Such pool/Cartel formation is against the basic principle of competitive bidding and defeats the very purpose of an open and competitive tendering system. Such and similar tactics to avoid/control true competition in a tender leading to "Appreciable Adverse Effect on Competition" (CAEC) have been declared as an offence under the Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007. Such practices should be severely discouraged with strong measures.
