26. CLEAR UNDERSTANDING:

When a tenderer submits his tender in response to this tender document, he will be deemed to have understood fully all requirements, terms and conditions. No request will be entertained on a pretext the tenderer did not have a clear idea on any particular point and/or a clause of the tender.

27. FALL CLAUSE:

Fall clause is a price safety mechanism in rate contracts. The fall clause provides that if the rate contract holder reduces its price or sells or even offers to sell the rate contracted goods or services following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Other parallel rate contract holders, if any, are also to be given opportunity to reduce their price as well, by notifying the reduced price to them and giving them 07 (seven) days time to intimate their revised prices, if they so desire, in sealed cover to be opened in public on the specified date and time and further action taken as per standard practice. On many occasions, the parallel rate contract holders attempt to grab more orders by unethical means by announcing reduction of their price (after getting the rate contract) under the guise of Fall Clause. This situation is also to be dealt with in similar manner as mentioned in the preceding paragraph. It is however, very much necessary that the purchase organizations keep special watch on the performance of such rate contract holders who reduce their prices on one pretext or other. If their performances are not up to the mark, appropriately severe action should be taken against them including deregistering them, suspending business deals with them, debarring them for two years from participating against the tender enquiry floated by concerned purchase organization etc. The provisions of fall clause will however not apply to the following:

- i) Export/Deemed Export by the supplier;
- ii) Sale of goods or services as original equipment prices lower than the price charged for normal replacement.
- iii) Sale of goods such as drugs, which have expiry date;
- iv) Sale of goods or services at lower price on or after the date of completion of sale/placement of order of goods or services by the authority concerned, under the existing or previous Rate Contracts as also under any previous contracts entered into with the Central or State Government Departments including new undertakings (excluding joint sector companies and or private parties) and bodies.

28. DEBARMENT OF VENDORS / CONTRACTORS, HOLIDAY LISTING OF VENDORS / CONTRACTORS, DELISTING OF VENDORS / CONTRACTORS & DE-LISTED VENDORS / CONTRACTORS

The vendors are required to meet certain basic performance criteria and adherence to the terms and conditions of the tender/contract. In case the vendor fails to meet the above parameters, it is prudent to put the vendor on Holiday List for specific periods in order to deter the vendors from committing such defaults. Such decisions shall be taken based on the gravity of the default and after following a laid down process, on case to case basis.

Period of holiday listing based on the circumstances under which they were put on holiday listing are as under:

Sl. No	Reasons for holiday listing	Period of holiday listing (years)
